IMPACT OF MIAMI COUNTY

It is highly recommended that each class member of Leadership Miami County take part in a major community project. Characteristics of Leadership Miami County graduates are:

- **They are doers, not observers,
- **They see value in our community,
- **They realize Miami County is not perfect and there is always room for enhancement and improvement of resources,
- **They are risk-takers,
- **They plan on adding value to the community by becoming servant leaders,
- **And they will empower others to do the same.

PAST PROJECTS

- County Beautification Program
- T.E.A.M. Miami County Youth Leadership Academy
 - Benches & Bike Racks @ MiamisFort
 - Peer Mediation for Students
 - River Walk Signs
- Circus City Soap Box Derby
- City Hall Beautification Project

Mission Statement

Leadership Miami County is committed to developing, nurturing, and replenishing pro-active leaders to efficiently and cooperatively serve all people of Miami County.

Leadership Miami County

Leadership Miami County was created to provide leadership development for servant leaders in our community. The program is designed to:

- **introduce, promote, and build upon leadership skills,
- **develop awareness of the issues facing our local community,
- **encourage enthusiastic commitment to community service.

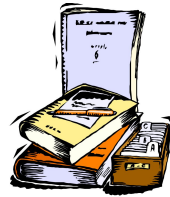

Opening Retreat

Participants begin the training process with a day-long orientation retreat followed by 7 three-hour evening sessions. The program runs from October to March each year. A graduation celebration ends the sessions.

THE CURRICULUM

- **Servant Leadership Principles
 - **Visioning Process
 - **Learning Styles
 - **Stages to a Learning Community
 - **Action Planning
 - **Personal Development & Mission Statement
 - **Consensus & Collaboration Decision Making
 - **Facilitation Techniques
 - ** Boardsmanship

Problem Solving

THE SELECTION

The Leadership Board of Directors strives to convene a unique group of potential leaders that are reflective of our community. Participants for Leadership Miami County are chosen through an application process. They are selected on the basis of their leadership potential, demonstrated interest and commitment to serving the community.

The maximum class size is twenty-five and is open to all who either live or work in Miami County. A commitment of regular attendance is requested. To begin the enrollment process, please complete the enrollment form on the back.
