New Format for the Newsletter

We're rolling out a new format for the newsletter that is easier to read and has more of the information you want. You will notice that each business has their own section. On the side of each business listing is all the pertinent information. We don't have complete information for every business so if you see your listing isn't complete, please email us at info@miamicochamber.com. Please use the list to the right as a template of what you can add.

You can also add coupons and logos. Just email us your logo and we'll be happy to include it. Email or call us with the text for your coupon.

Get Right Computers

The Get Right Computers Satisfaction Guarantee
We have a very simple policy, if you're not happy you don't pay. We don't do this by inflating our prices, we actually take the time to find out what you want. We get it right (yup, that's the name) the first time, every time.

Not sure if you need a tune-up or a complete reinstall? Don't worry. If the tune-up doesn't work you can always do the reinstall. No, you won't pay twice. You only pay for what you need so if the tune-up doesn't do the trick, you don't pay for it.

Grissom Air Museum

The Grissom Air Museum - Come out and see what's new at the museum including an authentic piece of WWII nose art and a personal memento given by Dwight D. Eisenhower! The family of Lieutenant General William E. Kepner of Miami, Indiana placed the artifacts on loan to the museum for display. Indiana and Miami County are proud to lay claim to such an incredible American. The Grissom Air Museum encourages visitors to experience the entire Kepner collection displayed in its Hall of Honor. Visitors can also sit in airplane and helicopter cockpits, learn about aviation equipment and flying, and explore more than 25 historic aircraft in the museum airpark.

A local Purple Heart Chapter meet the third Saturday of the month at Grissom Air Museum. The next meeting is March 20th at 1 pm.

Do you have a group or club that is looking for something new to do this year? Stop by the museum and adopt a plane today.
